

## Environment Day 2022 –Delhi Province

To mark the world Environment day the various institutions of ours had various activities .St Anthony's Inter College ,Jeolikote had taken initiatives to plant saplings and a video of the work done by the students was shared with everyone.

In St. Mary's Convent College Nainital a seminar was organized for the staff and students on 4<sup>th</sup> June ,making them aware of the importance caring for mother earth. The students prepared charts related to the theme besides writing poems and posters.

On 5<sup>th</sup> June the students along with the staff members took up the cleaning drive activity . They cleaned the surrounding area of Nainital lake.

It was an action plan of Laudato Si.
